WHITE'S DAHLIA GARDENS

1814 Richmond Drive,
Louisville, Kentucky.

TO OUR FRIENDS AND CUSTOMERS FOR THE 1941 SEASON

In submitting this list to you, we hope that you will find it interesting, as it contains many CERTIFICATE of MERIT, HONOR ROLL, new and imported varieties that have proven themselves CHAMPIONS of the show room and gardens.

Our stock is of the highest quality obtainable and the results our customers have had is our best recommendation.

GREEN PLANTS. - These are propagated only from good healthy stock. Try them and be convinced. We ship from coast to coast and reach you in fine condition.

1941 INTRODUCTIONS OF MERIT

CLIO, MIN.S.C. Fascinating little Miniature with perfectly full blooms of baby pink and cream. Blooms very freely. PLANTS ONLY \$.50 Net

JANET BAIRD, CACTUS. One of the best commercial cactus dahlias ever offered. A beautiful shade of pink on wonderful stems. Beat all comers at one of Californias largest shows. PLANTS ONLY \$ 2.00

LYNN FONTANNE, S.C. To I.D. We had the pleasure of growing this fine variety last year and have only words of praise for it. Its record of being placed on all the leading HONOR ROLLS assures it of being one of the best. COLOR - Spectrum red with shades of carmine towards the tips. Hugh blooms on the finest of stems. PLANTS ONLY \$ 7.50

LITTLE SLAM, MIN. CAC. This little Miniature is a gem in the cactus type. The color is violet rose. Formation like Little Diamond. PLANTS ONLY \$.75

LUCY S, S.C. A lovely wine or violet shade with silver reverse. Blooms 11x6 on long canelike stems. An unusually fine grower and bloomer. It was one of the outstanding attractions in our garden last season. ROOTS \$ 10.00 Net. PLANTS \$ 3.50 Net.

MARY TAYLOR, STR.CAC. Beautiful flesh pink and gold. A clear bright flower on the finest of stems. One of the best. ROOTS \$ 3.50 PLANTS \$ 1.50

POWERHOUSE, I.D. A huge fellow of raspberry red with distinctive white striping. Excellent stems for a huge bloom. PLANTS ONLY \$ 2.00

VINWELL CRINKLES, I.D. Orchid pink shading to shrimp towards the tip. Petals crinkle and twist making a beautiful formation of the flower. A nice clean grower and bloomer, size 9x5" or better. ROOTS \$ 7.50 PLANTS \$ 2.50

We also have several other 1941 Introductions and can supply plants of them.

IMPORTED VARIETIES FOR 1941

CROYDON ACME, F.D. A giant formal of helitrope pink. A beauty on strong stems. PLANTS \$ 2.00

CROYDON BUTTERCUP, I.D. Rich buttercup yellow that does not fade or burn. PLANTS \$ 1.00

CROYDON VIVID, I.D. Giant orange scarlet, bloom 12x7" PLANTS \$ 1.00

F. W. BECKET, S.C. Large clear blooms of buff shade on the best of stems. PLANTS \$ 5.00
